WORKSHOP·FOR·THE·ENHACEMENT·AND·DOCUMENTATION·OF·THE·VERNACULAR·HERITAGE

WEDOVER·2022

22-08-2022 – 03-09-2022: Utiel (Valencia-España)

INTERNATIONAL·CALL·FOR·ARCHITECTS·AND·ARCHITECTURE·STUDENTS

Object:

Measure, draw and take photos of the cellars excavated and carved in the subsoil of the town centre of Utiel (Valencia-Spain) for documentation and enhancement.

Participants:

- 20 architects and architecture students, and 2 international veterans who will lead the process of developing the work.
- Participants must:
  - o have a Covid-19 passport
  - o be accustomed to making manual drawings of buildings
  - o be familiar with the basics of building surveying work
  - o be willing to work hard (8 hours of work per day) and live together with their colleagues
  - o carry out practical work at a good pace and without slowing down
  - o each person is responsible for his own work (of course helping each other when necessary) and each person reproduces the drawing of his measurement.
  - o Bring:
    - Tape measure (5-8m),
    - 4H pencil,
    - Pencil sharpener or cutter,
    - Eraser (the softer and smoother the better),
    - Scalimeter (with scales 1:100, 1:50, 1:25, 1:20),
    - Square, bevel and protractor,
    - Cleaning brush (a simple paint brush will do),
    - Drawing board,
    - Camera,
    - Laptop computer
  - o Take care of their travelling to/from Utiel (Valencia), including the visa process if it would be necessary. The organizer takes care of the costs during the camp (accommodation and meals)
